Shaping the Future of AI

Become a Sponsor of the International Olympiad in Artificial Intelligence
Partner with the IOAI – the International Olympiad in AI for High School Students

A global competition that brings together the brightest young minds in Artificial Intelligence and a platform for high school students to showcase their talents and passion for AI.

The first events will take place in 2024 in the town of Burgas, Bulgaria

IOAI 9-14 Aug

Al International Summer school 15-19 Aug
Post-IOAI Summer School: Exploring AI Beyond the Olympiad

Overview
A dynamic Summer School for IOAI participants and AI enthusiasts, fostering deeper learning in AI immediately after the IOAI.

Objectives
Enhance AI understanding, gain industry insights, and expand global networks.

Program Highlights
Workshops by AI experts, collaborative projects, and cultural exchange activities.

Benefits
Elevate AI skills, explore AI career pathways, and develop a global perspective on ethical AI.
Diverse and Global Participation

Competitors
Four distinguished high-school students per team, diving into the world of AI.

Team Leaders
Accomplished young academics and AI professionals leading each team.

Jury
Eminent young scholars and AI experts judging teams’ performance.

Partners
Esteemed guests from leading IT corporations and top-tier universities worldwide.
Our Mission & Vision

Mission
To cultivate a global community of young AI enthusiasts and experts, shaping future AI scientists.

Vision
To challenge and inspire students to innovate and excel in AI.
Empowering Progress in AI Together

Partnering with the IOAI long-term presents a unique chance to build lasting connections with emerging AI leaders and esteemed academics and inspire innovation.

1. Build lasting connections with emerging AI leaders and innovators.
2. Inspire the next wave of creativity and innovation in the AI realm.
3. Lead the promotion of responsible and ethical AI development practices.
4. Align your brand with cutting-edge technology and academic excellence.
Tailored Sponsorship Benefits

A 3 to 5-year sponsorship commitment, with annual grants across various tiers, not only supports IOAI’s expansion but also invests in AI education’s future, aligning closely with our mission to nurture young talent and foster global collaboration.
